

Withdrawal Policy

Last Updated: 3 January 2026

This Withdrawal Policy applies to all users of the SizeProp platform operated by **SIZ EDU Limited** (the “Company”, “SizeProp”, “we”, “us”).

This policy forms part of, and must be read together with, the SizeProp Terms and Conditions and Refund Policy. In the event of any inconsistency, the Terms and Conditions shall prevail.

1. Nature of Withdrawals

SizeProp does **not** provide withdrawals of user funds.

Any withdrawal made by SizeProp is a **discretionary reward payout** based on simulated trading performance within the platform and is **not**:

- a withdrawal of user deposits;
- a return of capital;
- an investment return;
- a contractual entitlement;
- a profit share derived from live market trading.

All user trading activity occurs in a simulated environment only. Withdrawals are funded solely from the Company’s operational revenue and internal treasury.

2. Eligibility to Request a Withdrawal

A user may request a withdrawal only if all of the following conditions are met:

- the user holds an active Funded Account in good standing;
- the account shows positive simulated profit in accordance with platform rules;
- all trading rules have been continuously complied with;
- the account has not been flagged for review, breach, or investigation;
- all required verification and compliance checks have been successfully completed.

Meeting eligibility criteria does **not** guarantee approval of a withdrawal.

3. Discretionary Approval

All withdrawals are approved **solely at the discretion of SizeProp**.

SizeProp may approve, deny, delay, reduce, or cancel any withdrawal request for any reason, including but not limited to:

- compliance or regulatory concerns;
- suspected rule violations or prohibited conduct;

- fraud indicators or abnormal trading patterns;
- incomplete or failed verification;
- technical or operational reviews;
- internal risk management decisions.

No explanation is required to be provided.

4. Verification and Compliance

Before processing any withdrawal, SizeProp requires completion of identity verification (KYC) and compliance checks.

This may include:

- identity verification and document submission;
- enhanced due diligence where applicable;
- sanctions and risk screening.

Failure to complete or pass verification will result in denial or delay of the withdrawal request. No withdrawal will be processed until all verification requirements have been satisfied to SizeProp's satisfaction.

5. Withdrawal Method and Currency

Approved withdrawals are paid exclusively in cryptocurrency, using methods determined by SizeProp at its sole discretion.

Withdrawals are processed through third-party payment providers and are subject to their independent compliance, risk, and operational controls. SizeProp is not responsible for delays, rejections, or blocks imposed by such providers.

SizeProp does not guarantee the availability of any specific blockchain, network, token, or payout timing.

6. Withdrawal Timing

Withdrawal requests are reviewed manually and may take time to process.

Processing times are **not guaranteed** and may be extended due to:

- verification reviews;
- compliance checks;
- operational workload;
- public holidays;
- system maintenance.

Estimated timelines, if displayed, are indicative only and not binding.

7. Forfeiture of Withdrawals

Any pending or unpaid withdrawal will be immediately forfeited if:

- a trading rule is breached;
- prohibited conduct is identified;
- false or misleading information is provided;
- a chargeback or payment dispute is initiated;
- the account is terminated for any reason.

Forfeiture is final and irreversible.

8. Taxes

Users are solely responsible for determining and paying any taxes, duties, or assessments arising from withdrawals they receive.

SizeProp does not provide tax advice and does not withhold taxes on behalf of users.

9. No Reliance or Expectation

Users acknowledge and agree that:

- withdrawals are not guaranteed;
- simulated performance does not predict real trading results;
- participation in the platform should not be relied upon as a source of income.

No past withdrawals create any expectation of future withdrawals.

10. Amendments

SizeProp may update this Withdrawal Policy at any time. Continued use of the platform after updates constitutes acceptance of the revised policy.
